If your child has not been before, please email office@lowerearleybaptistchurch.org.uk to ask to register.

In order to help us prepare and to keep numbers within a safe limit, it would be really helpful if you can book your child by using the "*pre-book your child's place*" link on the [TnT website page](#) (you can pre-book for a whole half term block or week by week, as you wish).

There are snacks, but your child will need to bring their own water bottle.
